Article 1: General provisions

The e-commerce website of Het Anker nv, a limited liability company (Naamloze Vennootschap) with registered office at Guido Gezellelaan 49, 2800 Mechelen, Belgium, VAT BE 0400.793.706, (hereinafter referred to as 'Het Anker') offers its customers the possibility to purchase the products from its webshop online.

These General terms and conditions ("Conditions") apply to every order placed by a visitor to this e-commerce website ("Customer"). When placing an order through the webshop of Het Anker, the Customer must explicitly accept these Conditions, with which he agrees to the applicability of these Conditions to the exclusion of all other conditions. Additional terms and conditions of the Customer are excluded, except when they have been explicitly accepted by Het Anker beforehand and in writing.

Article 2: Price

All specified prices are expressed in euros, they are always inclusive of VAT and all other taxes or duties to be borne by the Customer.

Delivery, reservation or administrative fees are specified separately.

The specified price refers exclusively to the articles as described verbatim. The accompanying photographs are decorative and may contain elements that are not included in the price.

Article 3: Offer

Despite the fact that the online catalogue and the e-commerce website are compiled with the greatest possible care, it is still possible that the information offered is incomplete, contains material errors, or is not up-to-date. Obvious errors or mistakes in the offer do not bind Het Anker. In terms of the correctness and completeness of the offered information, Het Anker is only bound by a best-effort commitment. Under no circumstances shall Het Anker be liable in the event of manifest material errors, misprints or printing errors.

The offer is valid while stocks last and can be adjusted or withdrawn by Het Anker at any time. Het Anker cannot be held liable for the unavailability of a product. If an offer is of limited duration or if certain conditions apply, it shall be explicitly specified in the offer.

Article 4: Online purchases

The buyer selects items online he/she wishes to order and goes through the check-out procedure, including the registration of the personal data, delivery details and payment data.

The agreement between Het Anker and you, the buyer, is reached at the moment that you have accepted and complied with the conditions specified by Het Anker. Het Anker always confirms the purchase by e-mail. If a confirmation e-mail has not yet been sent, the agreement is not yet in force. Payment of ordered articles is only possible using the suggested payment instruments. To guarantee a secure online payment and the security of your personal data, the transaction data are transmitted over the internet, encrypted with SSL technology.

The Customer has the choice between the following payment methods:

- by credit card
- by debit card

Het Anker is entitled to refuse an order or to subject it to additional conditions due to a serious shortcoming on the part of the Customer with respect to orders involving the Customer, an incomplete order procedure, orders by minors, large orders or problems with previous orders, etc.

Each order is provided by default with a pro forma invoice. Official invoices are only generated on request. Due to VAT reasons this is only possible for Belgian customers. You can send your request to webshop@hetanker.be

Article 5: Delivery and performance of the agreement

The delivery times specified by Het Anker are approximate and are not strict deadlines. Unless otherwise agreed or explicitly specified otherwise, the goods will be delivered to the Customer's place of residence within 30 days of receipt of the order. If we cannot deliver on time, we will notify the Customer before the expiry of the scheduled delivery time. To the extent possible, we will contact the Customer by e-mail or telephone to give him the opportunity, before delivery, to reschedule his order or to cancel it in full or in part.

If you ordered an article that is temporarily out of stock, it will be indicated when the product is available again. As soon as the articles to be delivered have been delivered to the specified delivery address, the risk with regard to these products is transferred to the buyer.

Different conditions may apply to deliveries abroad.

Het Anker delivers in the following countries: Belgium, Netherlands. If an order cannot be delivered to the country of destination, the customer will be informed and Het Anker reserves the right to cancel the order.

Delivery shall only be made by courier service unless otherwise agreed prior to the agreement.

The delivery or shipping costs will be communicated to you before confirmation of your purchase. If the shipping costs cannot be automatically calculated, they will be specified and/or an indication of the shipping costs will be provided.

Any visible damage and/or qualitative shortcoming of an article or another shortcoming in the delivery must be reported immediately by the Customer to Het Anker.

The risk of loss or damage shall pass to the Customer as soon as he (or a third party other than the carrier and indicated by the Customer) has acquired physical possession of the goods.

HET ANKER

Article 6: Reservation of title

The delivered articles remain Het Anker's exclusive property until the moment of full payment by the Customer.

The Customer undertakes, if necessary, to inform third parties of Het Anker's reservation of title, e.g. to any person who intends to seize the articles that have not yet been paid for in full.

Article 7: Right of withdrawal

The provisions of this article only apply to Customers who, in their capacity as consumers, purchase products online from Het Anker.

The Customer has the right to withdraw from the agreement within a period of 14 calendar days without giving any reasons.

The withdrawal period expires 14 calendar days after the day on which the Customer or a third party other than the carrier and indicated by the Customer acquires physical possession of the goods.

To exercise the right of withdrawal, the Customer must notify Het Anker of its decision to withdraw from the agreement by means of an unequivocal statement by e-mail to webshop@hetanker.be.

To comply with the withdrawal period, the Customer must send his/her notice of the exercise of the right of withdrawal before the withdrawal period has expired.

The Customer must return or hand over the goods to Het Anker without delay, but in any case no later than 14 calendar days after the day on which he/she notified Het Anker of his/her decision to withdraw from the agreement. The Customer is on time if he returns the goods before the period of 14 calendar days has expired.

The direct costs of returning the goods shall be borne by the Customer.

If the returned product has somehow lost some of its value, Het Anker reserves the right to hold the Customer liable and to claim damages for any lost value of the goods resulting from the use of the goods by the Customer that goes beyond what is necessary to determine the nature, characteristics and functioning of the goods.

Only unused articles, together with all accessories, instructions for use and invoice or proof of purchase can be taken back.

If the Customer withdraws from the agreement, Het Anker shall refund all payments received from the Customer up to that point, including the standard delivery costs, within a maximum of 14 calendar days after Het Anker has been informed of the Customer's decision to withdraw from the agreement.

In the case of sales contracts, Het Anker may delay reimbursement until it has received all the goods back, or until the Customer has proved that it has returned the goods, whichever is the earliest.

Any extra costs resulting from the Customer's choice of delivery method other than the cheapest standard delivery offered by Het Anker will not be refunded.

Het Anker refunds the Customer with the same payment instrument as with which the Customer made the original transaction, unless the Customer has explicitly agreed otherwise; in any case no costs shall be charged to the Customer for such refund.

The Customer cannot exercise the right of withdrawal for:

- the delivery of goods manufactured to the Customer's specifications, or which are clearly intended for a specific person (including personalised articles or customisation)
- the delivery of goods that deteriorate quickly or with a limited shelf life;
- the delivery of alcoholic beverages, the price of which was agreed when the sales agreement was reached but the delivery of which can only take place after 30 days and the actual value of which depends on fluctuations in the market outside the company's control;
- the goods which, for reasons of hygiene and health, cannot be returned after the seal has been opened;
